	<p>REDUCED HEALTH CARE COSTS</p>	<p>Family health care cost</p> <p>Potentially preventable hospitalization rates</p> <p>Annual end-of-life care expenditures</p>

CULTURE OF HEALTH ACTION FRAMEWORK

Selecting National Measures

CULTURE OF HEALTH ACTION FRAMEWORK

ACTION AREAS	DRIVERS	MEASURES
1 MAKING HEALTH A SHARED VALUE	MINDSET AND EXPECTATIONS	Value on health interdependence
	SENSE OF COMMUNITY	Value on well-being
	CIVIC ENGAGEMENT	Public discussion on health promotion and well-being
2 FOSTERING CROSS-SECTOR COLLABORATION TO IMPROVE WELL-BEING	NUMBER AND QUALITY OF PARTNERSHIPS	Sense of community
	INVESTMENT IN CROSS-SECTOR COLLABORATION	Social support
	POLICIES THAT SUPPORT COLLABORATION	Voter participation
		Volunteer engagement
3 CREATING HEALTHIER, MORE EQUITABLE COMMUNITIES	BUILT ENVIRONMENT/PHYSIC CONDITIONS	Local health department collaboration
	SOCIAL AND ECONOMIC ENVIRONMENT	Local health department collaboration
	POLICY AND GOVERNANCE	Local health department collaboration
4 STRENGTHENING INTEGRATION OF HEALTH SERVICES AND SYSTEMS	ACCESS TO HEALTH SERVICES	Local health department collaboration
	CONSUMER EXPERIENCE AND QUALITY	Local health department collaboration
	BALANCE AND INTEGRATION	Local health department collaboration
OUTCOME	OUTCOME AREAS	MEASURES
	ENHANCED INDIVIDUAL AND COMMUNITY WELL-BEING	Well-being rating
	MANAGED CHRONIC DISEASE AND REDUCED TOXIC STRESS	Caregiving burden
REDUCED HEALTH CARE COSTS	Adverse child experiences	Disability associated with chronic conditions
		Family health care cost
		Potentially preventable hospitalization rates
		Annual end-of-life care expenditures

Criteria for 41 measures

- Availability of national data
- Application to entire lifespan & 'healthspan'
- Broad determinants and upstream drivers
- Appeal to multiple audiences
- Equitable

Sentinel Communities

- Opportunity to understand CoH at the local level and identify new measures using sentinel surveillance
- Mixed methods of data collection and monitoring
- About 30 communities varied by geography, sociodemographics, and innovations in health
- Will not affect opportunities for Foundation funding
