HPIO Health Value Dashboard, Overview

40 Population health

Ohioans are less healthy than people in most other states.
 Ohio ranks 40th on a composite measure of population health. Thirty nine states are healthier. This overall rank is based on Ohio's rank in the following areas*:

- 38 Overall health and wellbeing** Length and quality of life
- 49 Health behaviors** Tobacco, alcohol, physical activity
- 41 Conditions and diseases** Physical, mental and oral health

40 Healthcare costs

Ohio spends more than most other states on health care.
 Ohio ranks 40th on a composite measure of healthcare costs. Thirty nine states spend less. This overall rank is based on Ohio's rank in the following areas*:

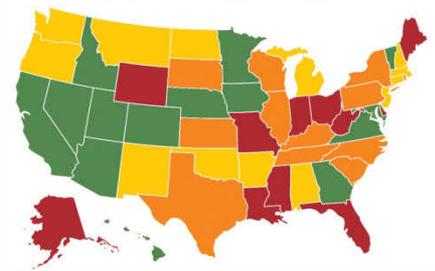

- 35 Total spending** Overall healthcare spending per capita and spending growth
- 32 Employer costs** Average premiums for single adults and families
- 23 Consumer costs** Commercial health spending per enrollee and out of pocket spending
- 49 Medicare spending** Spending per enrollee and spending growth

47 Health value in Ohio

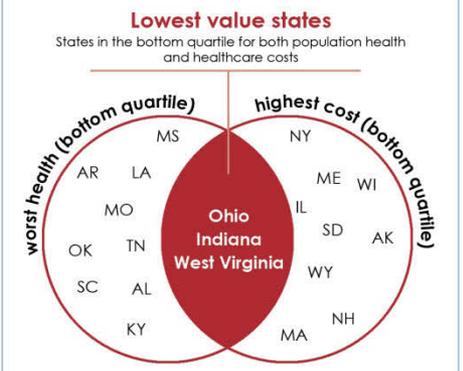

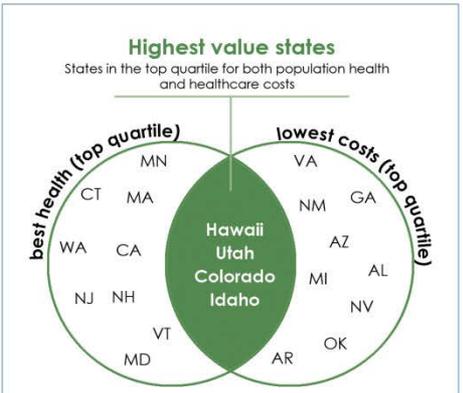

We are not getting good value for our healthcare dollar.
 Ohio ranks 47th on a composite measure of health value—the combination of healthcare costs and population health, weighted equally.

Health + Cost = Value

Where states rank in health value...

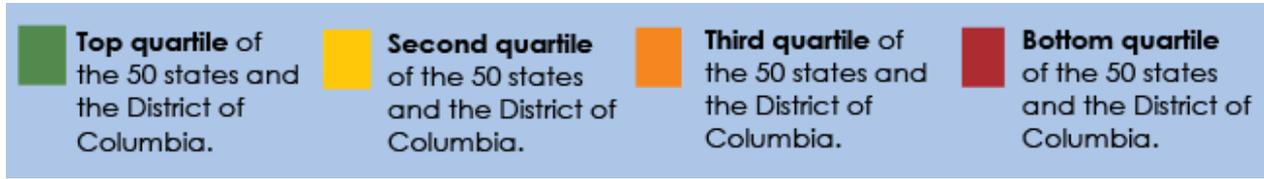

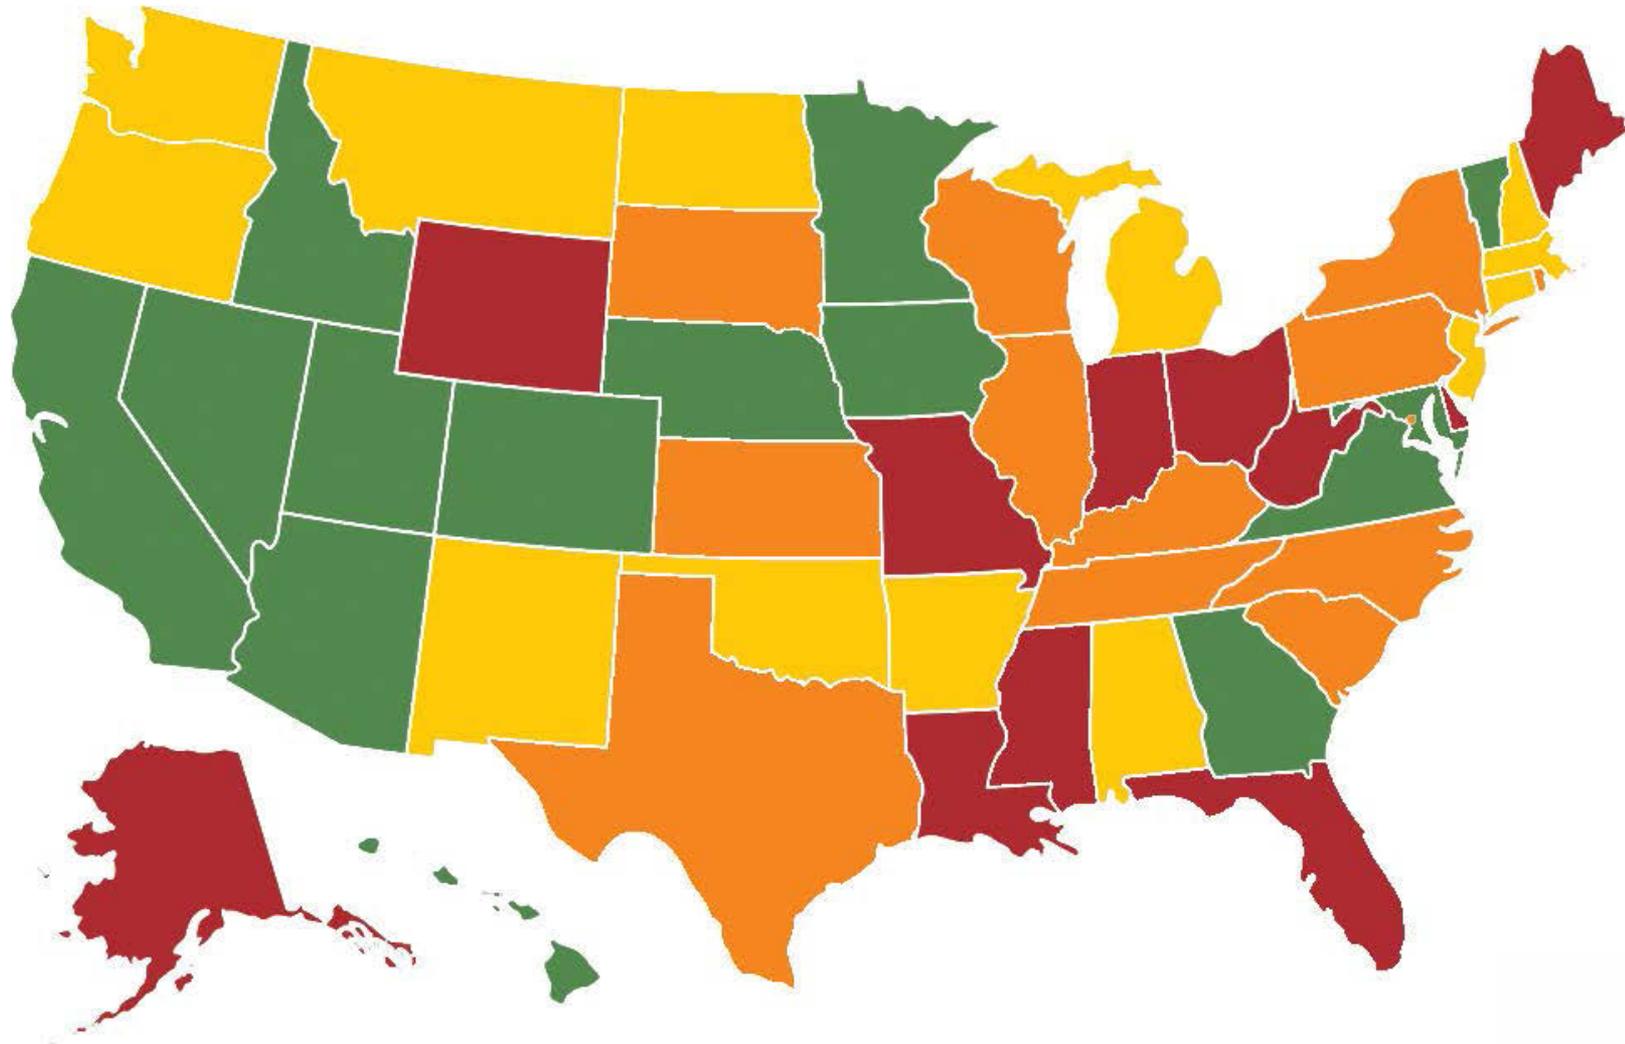

- Top quartile** of the 50 states and the District of Columbia.
- Second quartile** of the 50 states and the District of Columbia.
- Third quartile** of the 50 states and the District of Columbia.
- Bottom quartile** of the 50 states and the District of Columbia.

Note: Rankings for the above domains are based on most-recently available data from 2008 to 2013. A ranking of 1 is the best and 51 is the worst.
 *The overall domain rank (e.g. healthcare costs) is the composite of the sub-domain ranks (e.g. total and employer). The subdomain ranks are the composite of the ranks for the individual metrics (e.g. healthcare spending per capita).

State comparison on health value

Just the beginning of the journey....

Snapshot of health challenges and strengths

Ohio's greatest health challenges
Ohio ranks in the bottom quartile among U.S. states and Washington D.C. for the following metrics...

Domain	Indicator	Ohio's rank	Most recent data	Best state
Population health	Adult smoking Percent of adults who are current smokers	44	23.4%	10.3% UT
	Adult diabetes Percent of adults diagnosed with diabetes	46	11.7%	7% AK
	Infant mortality Infant deaths per 100,000 population	47	7.69	3.8 AK
Healthcare system	Avoidable emergency department visits for Medicare beneficiaries Potentially avoidable emergency department visits among Medicare beneficiaries, per 1,000 beneficiaries	44	215	129 HI
Public health and prevention	State public health workforce Number of state public health agency staff FTEs per 100,000 population	44	9.9	250.7 WY
	Emergency preparedness funding Median per capita funding for emergency preparedness	44	\$1.50	\$9.93 DC
	Tobacco prevention spending Tobacco prevention and control spending, as percent of the CDC-recommended level	46	4.4%	114.8% ND
Healthcare costs	Child immunization Percentage of children ages 19 to 35 months who have received vaccinations	48	61.7%	82.1% RI
	Medicare spending growth per enrollee Average annual percent growth in Medicare spending per enrollee	45	5.2%	1.4% ND
Access	Unmet need for illicit drug use treatment Percent of individuals ages 12 and older needing but not receiving treatment for illicit drug use in the past year	43	2.6%	1.9% HI
Physical environment	Food insecurity Percent of households with uncertain access to adequate food	40	16.1%	8.7% ND
	Outdoor air quality Average exposure of the general public to particulate matter of 2.5 microns or less in size	47	11.6	5.3 WY
	Secondhand smoke Percent of children who live in home where someone uses tobacco or smokes inside home	49	10.3%	0.4% CA

Ohio's greatest health strengths
Ohio ranks in the top quartile among U.S. states and Washington D.C. for the following metrics...

Domain	Indicator	Ohio's rank	Most recent data	Best state
Public health and prevention	Accreditation of local health departments Percent of LHDs that have received accreditation (March 2013 to Sept. 2014)	11	3.2%	10% LA
Access	Employer-sponsored health insurance coverage Percent of all workers who work at a company that offers health insurance to its employees	11	86.8%	96.7% HI
Physical environment	Safe drinking water Percent of population exposed to water exceeding a violation limit during the past year	10	3%	0% DC
	Fluoridated water Percent of the population served by a community water system with optimally fluoridated water	12	92.2%	100% DC
	Severe housing problem Percent of households with problems such as severe overcrowding or costs that exceed 50% of monthly income	13	15%	11% ND

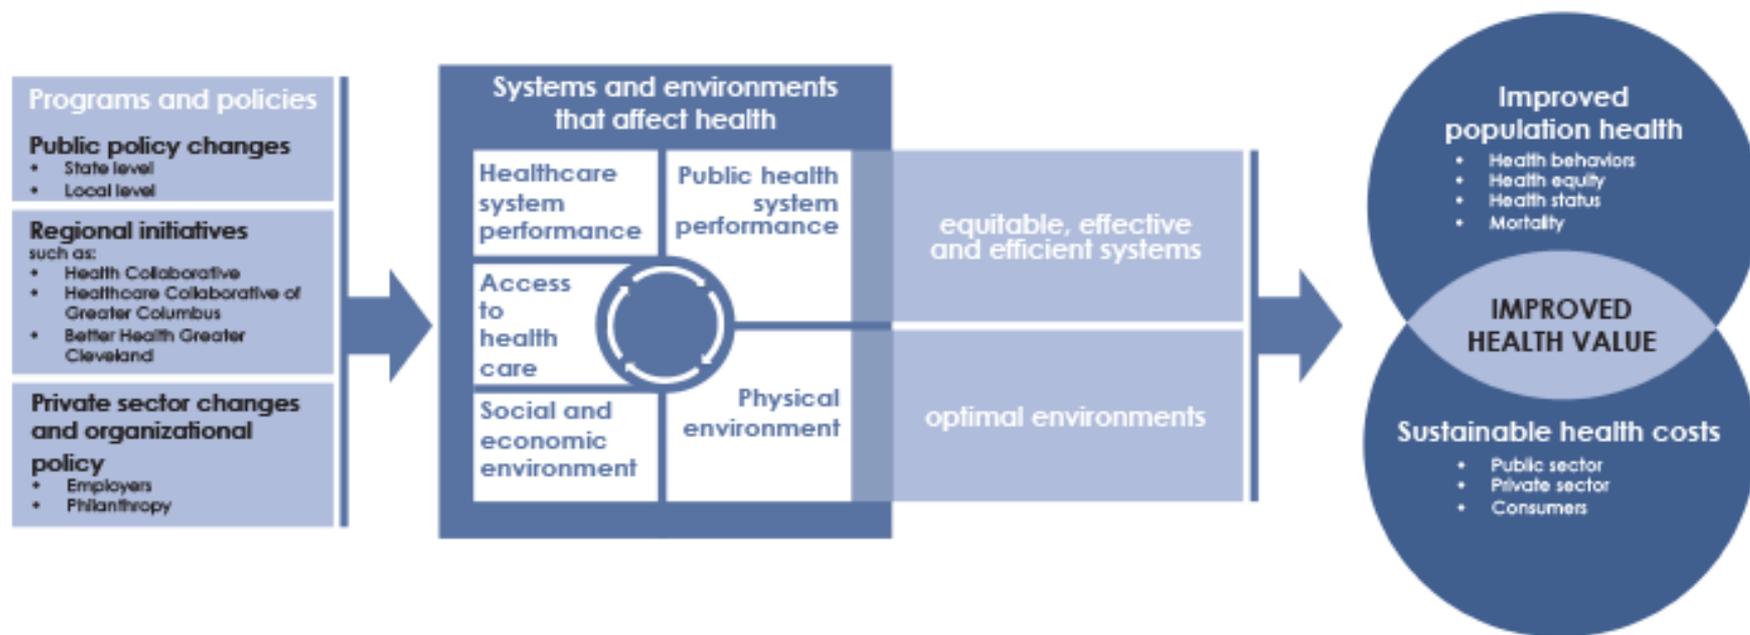

Domain	Ohio ranks in the second quartile for the following subdomains	Ohio ranks in the third quartile for the following subdomains	Ohio ranks in the fourth quartile for the following subdomains
Population health	None	Overall health and wellbeing	Health behaviors Conditions and diseases
Healthcare costs	Consumer costs	Total spending Employer costs	Medicare spending
Healthcare system	None	Preventive services Timeliness, effectiveness and quality of care	Hospital utilization
Access	Affordability and coverage Primary care access Oral health	None	Behavioral health
Public health and prevention	None	None	Public health workforce and accreditation Communicable disease control and environmental health Emergency preparedness Health promotion and prevention
Social and economic environment	None	Education Employment and poverty Family and social support Trauma, toxic stress and violence Inequality	None
Physical environment	None	Air, water and toxic substances Food access and food insecurity Housing, built environment and access to physical activity	None

* Ohio does not rank in the top quartile for any subdomains.

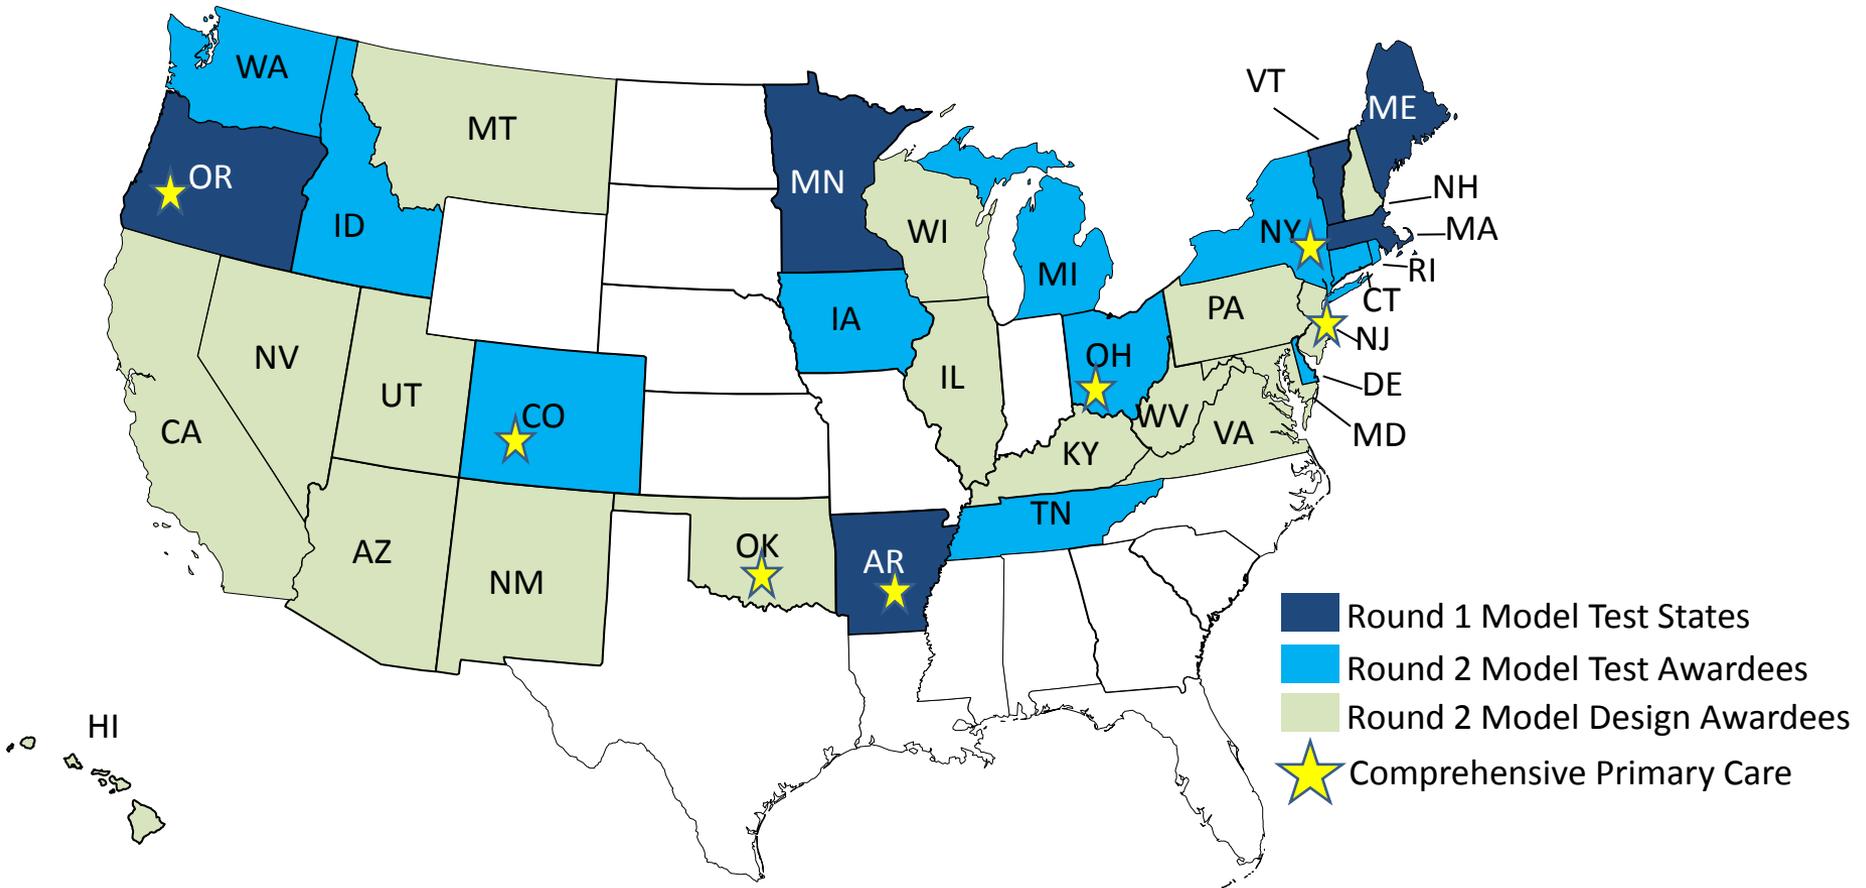

Pathway to improved health value: A conceptual framework (03.07.14)

World Health Organization definition of health: Health is a state of complete physical, mental, and social well-being and not merely the absence of disease or infirmity.
